

The DJ duo known as *The Captains of Industry* consists of seasoned nightlife veterans StoneRokk and Graham Funke. For thirty years, they have collectively performed in every major market and held residencies at some of the most visible and influential venues. Their client list for corporate and private events reads like a page torn from *Forbes*, and their tastes and exploits have been documented in various television and print media outlets. *The Captains of Industry* have been involved with a wide range of fêtes, from the Super Bowl to the MTV Movie Awards to the Red Bull 3Style to *Club Yacht Rock* on SiriusXM, and they continue to deliver dynamic Open Format sets, stateside and abroad, through dedication to craftsmanship, crowd control, creative programming, and fun.
